When Daniel Boone and his men reached the Kentucky River on April 1, 1775, they quickly moved to establish Kentucky's second settlement – the site still known as Fort Boonesborough. Fort Boonesborough has been reconstructed as a working fort complete with cabins, blockhouses, and furnishings. First-person Daniel Boone interpretation along with 18th century life skills and period craft demonstrations are ongoing April through October.

Kentucky River Museum & Fort Tours:

Embracing two restored lock houses and other buildings, the museum tells the story of the development of commerce on the river. Fort as described above. \$

Camping & RV:

166 sites with electricity and water hookups as well as primitive camping sites. Central service building with showers, rest rooms, laundry facilities, and campground grocery. Reservations online or at 1-888-4KY-PARK.
